The Council has scheduled a work day at the church for the morning of Saturday, **June 16**; a specific time will be announced next week. Everyone who is able is invited to come help. The Trustees (Kenny Koller and Doug Vogel) will identify jobs that need to be done, and will make sure that the supplies needed to do the jobs are at the church. There are two ways you can help even if you can't come that day: (1) If you have any suggestions of jobs the work crew could do that day, please let a Trustee know. And (2), there are quite a few things sitting out around the church; if you got something out and it no longer needs to be out, or if you see something out and know where it goes, please feel free put it away before June 16. It would sure make the work day go better!
